Letter of Support

Our staff have worked with September Brod over the last six years. We have found that the services she has provided have been exemplary and have exceeded the expectation of clients and coworkers. Her experience evidences that she pays particular attention to tribal issues and environmental impacts while maximizing program benefits. September is always pleasant, professional and joy to work with.

Chilkat Environmental would be pleased to provide any follow up discussion regarding our recommendation.

Thank you,

A handwritten signature in black ink, appearing to read "Jacklynn Ruggirello". The signature is fluid and cursive, with a large loop at the end.

Jacklynn Ruggirello BS,
