Re: Reference Letter

To Whom It May Concern:

This letter is submitted on behalf of Sundance Consulting, Incorporated, as testimony of our satisfaction with their services. As a support contractor, Sundance has proven to be a valuable asset to ensuring that the Native American Lands Environmental Mitigation Program (NALEMP) objectives are being met within critical timelines. Sundance implements decisions in a quality manner and consistently delivers the highest level of contracted services to our program.

I have personally worked with Sundance on multiple NALEMP projects over a number of years and have found their attention to detail; customer satisfaction and exceptional professionalism have exceeded my expectations.

I would highly recommend Sundance for future projects with the Department of Defense NALEMP program as well as other service providers, government agencies and Native American Tribes.

If you have any questions or require any further information, please do not hesitate to contact me at 703-604-1773 or via email at David.Sanborn@osd.mil.

Sincerely,

David Sanborn
Senior Tribal Liaison
